Good luck is something a person can never have too much of. Many people believe that certain items bring good luck. People around the world have many ideas about where good luck comes from.

Some people in India think an elephant brings good luck.

Some people in Ireland think a four-leaf clover brings good luck.

Some people in England think a horseshoe brings good luck.

Some people in China think a red lantern brings good luck.

Some people in Africa think a crocodile tooth brings good luck.

Some people in the United States think a rabbit's foot brings good luck.

Some people around the world think a rainbow brings good luck.

Some people around the world think a falling star brings good luck.

Is there something that you think brings you good luck?
